Ultra Essentials

PCCA #10167

Introducing Wellness Works' premier and most complete multivitamin! Ultra Essentials is a comprehensive, highly concentrated vitamin-mineral-trace element daily supplement containing more than 50 nutritional ingredients, all in a special herbal green food base. Its formula is carefully balanced to provide the essential nutrients for optimal health. Ultra Essentials also is a potent antioxidant formula that includes natural beta-carotene, vitamin C, vitamin E, selenium, L-cysteine/N-acetyl-L-cysteine, lutein, lycopene, zeaxanthin, red wine proanthocyanidins and select extracts and powders from more than 25 fruits, vegetables and herbs

This unique formula has been carefully developed to contain the right proportions of vitamins, minerals, trace elements, and other nutrients without the danger of a toxic build-up of other side effects. Each ingredient has been selected in consideration of its absorbability, competitive relationship with other nutrients, allergenic potential, and long-term safety.

One serving of Ultra Essentials provides the ORAC equivalent of 4 to 5 servings of fruits and vegetables.
